EXPERIENCE: OMNUS INVESTMENTS, Edmonton, Alberta, Canada June 2013- August 2013

Finance Intern

- Performed due diligence on companies that could potentially become financial products that the firm sells to its clients. Determined whether or not each company we researched was a wise investment for our clients.
- Created presentations to the board about different financial companies to determine whether or not the firm would sell shares in the company to clients.
- Provided financial analysis on different companies that already existed and wrote reports that summarized the potential investment for clients
- Made risk profiles for all financial products offered.
