## EXPERIENCE:

### **Canada Life Reinsurance, Blue Bell, PA**

*Summer Intern, May 2014 – August 2014*

- Conducted market research to discover which ceded company is doing new business with which reinsurance company by looking at their Schedule S reporting
- Presented market research findings to the Vice Presidents and Directors
- Assisted on the initial pricing for a disability reinsurance block by finding the APV of future benefits for policyholders on disability

### **Abby Food Corporation, Pie Land, Feasterville, PA**

*Assistant Manager, December 2010 – January 2013*

- Managed and trained a team of seven sale associates. Training included communicating with customers to identify requirements and operating independently
- Prepared custom orders, based on customers' special requests/needs
- Managed product placement by highlighting the most popular products in the showcase
- Closed by calculating the profit for the day

### **Westover Company, Country Manor Apartments, Levittown, PA**

*Lifeguard, July 2007 – September 2011 (seasonal)*

- Ensured a safe environment for all patrons by accurately evaluating the risk of each situation/patron
- Oversaw a team of three lifeguards, ensuring that they were focused and were correctly evaluating the risks of each patron
- Managed and maintained the chemicals in the pool, checking water levels and making any necessary adjustments to the chlorine and pH levels

## COMPUTER SKILLS:

Excel – Assisted on calculating the initial proposed price for disability reinsurance by finding the APV of future benefits for disabled policyholders. Finished a project using select & ultimate mortality tables to calculate mortality and survival probabilities and expected future lifetimes. Used pivot tables summarize traditional new reinsurance business

PowerPoint – Used as a visual guide for presentation, presented a summary on Harford Business Review article in front of 20 people

SQL – Wrote queries to extract data for assignments and in-class exercises

Other – Microsoft Word and HTML
