EDUCATION: TEMPLE UNIVERSITY, Fox School of Business, Philadelphia, PA  
**Bachelor of Business Administration, Graduation: May 2018**  
MAJOR: Management Information Systems

## SELECTED COURSES:

Data Centric Application Development, Data Analytics, Enterprise IT Architecture, Information Systems in Organizations, Cyberspace and Society

## ACTIVITIES AND AWARDS:

- Received an 'A' on the 2015 Merck Data Analytics Challenge.
- Member and Athlete, Temple Ice Hockey Club ACHA Division 1 Men's, 2014 – present.
- Active member in the Association for Information Students and TDAP member.

## INFORMATION SYSTEMS PROJECTS:

- Led a team and analyzed data about Ebola cases across the world, answering 3 questions and making a visual for the Data Analytics Challenge 2015.
- Worked with a live SAP system to complete a sales order and work within an HR system.
- Worked with Microsoft Azure in order to complete a number of different tasks, including implementing and working within MySQL in my Enterprise IT Architecture course.

## INFORMATION TECHNOLOGY SKILLS:

- Some training in SAP systems
- Basic training in HTML, CSS, PHP, MySQL, and RStudio
- Microsoft's Virtual Machine platform, **Microsoft Azure**
- Basic Knowledge in VMware
- **Tableau**

EXPERIENCE: Hartefeld National Golf Club Pub & Grill, Avondale, PA      December 2015 - Present  
**Server**

- Provide quick and exceptional customer services for over 68 tables to a public restaurant on a private golf course.
- Promoted to a server out of 5 applicants after three months of working.

Hartefeld National Golf Club Pub & Grill, Avondale, PA      May 2015 - August 2015  
**Bus Boy/Food Runner/Expeditor**

- In charge of quickly distributing food up to the customer's needs and standards. Had to **control and lead** the food going out of the kitchen by directing the food runners to the correct table and seat number for each order.
- My quick learning skills helped place me in charge of expediting after only four weeks of working at the restaurant. This is a challenging job in the kitchen, as it requires working under pressure, attention to detail, and leadership. This position usually takes two months of bus boy and food running work, plus additional training.

## SKILLS & LANGUAGES:

- Microsoft PowerPoint, Pivot tables and spreadsheets on Microsoft Excel, Microsoft Word
