---

### EXPERIENCE

#### **BUS BOY, OGRADY'S FAMILY RESTAURANT**

January 2009- January 2012

- Learned how to work with people of all ages and skill sets
- Learned how to manage my time in order to receive the maximum benefits
- Learned how to manage money between necessities and leisure activities

#### **FOOD RUNNER, BISTRO ON BRIDGE**

January 2013- present

- The Bistro is a bar oriented restaurant which allowed me to advance my social skills to a younger audience
- acquired the skill to work a different job dealing with kitchen handling
- Being a college student, I have had to come home every other weekend to keep my job so in a sense I developed a deep and more mature responsibility

## EDUCATION

### ST. BASILS THE GREAT GRADE SCHOOL, PHOENIXVILLE PA, SEP 1998-MAY 2008

- Catholic schooling helped me to achieve great moral skills
- Small classes allowed me to receive more help and attention to further my academic abilities

### PHOENIXVILLE AREA HIGH SCHOOL, PHOENIXVILLE PA, SEP 2009-APRIL 2012

- 3 years of Varsity Lacrosse
- 4 years of Varsity Golf
- 2 years of Green Club
- 4 years of Honors Math Courses
- Total score of a 1680 on my SATs
- Learned how to interact with different people and developed over satisfactory social skills
- Donated 1000 dollars to MS (Multiple Sclerosis) for my senior project to help out my Mother's friends charity

### TEMPLE UNIVERSITY, PHILADELPHIA PA, AUGUST 2012-PRESENT, MAJOR: *BUSINESS MARKETING*

- Started off as a business management major and switched to Computer Science inferring that I could not quite figure out what I wanted to pursue. After I realized how programming denied me of my advanced creativity skills, I switched back to business and am taking Marketing courses
- Maintained a 3.5 GPA

---
