

Project Name: AmerisourceBergen – Compliance Business Case

Team Members: Heather Makwinski, Samantha Talarico, Josh Michalik, Michael Ingram Jr.

Project Sponsor: Dale Danilewitz

Progress Report from 4/7/17 to 4/13/17

Accomplishments:

- We received feedback from our sponsor on our final idea and added some of his suggestions
- We began making swim lanes that will be used as a visual to show the flow of how the app will interact with the different parties
- We created a business case/research paper that details background about the problem and a more in depth write up of our solution

Goals:

- Put together a PowerPoint that will help tell our story
- Figure out how to present it in a non-confusing way since it is so different from the rest of the projects
- Meet with our sponsor between the practice presentation and the final presentation to finalize any loose ends

Issues:

- We have been running out of time to meet as a group before the presentation
- We haven't figured out how to present all of this information in only 12 slides
