Project Sponsor: Dale Danilewitz

Progress Report from 4/14/17 to 4/20/17

Accomplishments:

- We had our practice rehearsal in class this week and got some good feedback from both students and the professors on some minor changes we could make
- We met with our sponsor after our practice rehearsal/before the final presentation, he gave us some interesting feedback and small adjustments to our presentation
- We sent our sponsor all of our final deliverables for his review

Goals:

- Make some minor changes to our slide deck based off of feedback from the rehearsal presentation
- Work on smoother transitions between presenters
- Ensure there is nothing else our sponsor needs from us in terms of completed work

Issues:

- We didn't have many issues this week, our project is complete, we are now just adding some final touches
- Our presentation now needs to be no more than 9 minutes
