

How To Download Microsoft Project 2019

1. Go to:
<https://e5.onthehub.com/WebStore/Security/SignIn.aspx?url=%2fWebStore%2fProductsByMajorVersionList.aspx%3fws%3d933e35a0-db9b-e011-969d-0030487d8897%26vsro%3d8&ws=933e35a0-db9b-e011-969d-0030487d8897&vsro=8>
2. Login – this is a separate account from your regular Temple account
3. Click in the “Product Search” box and search “Project”
4. Be sure you are under the Project Professional 2019 tab
5. Click ‘Add to Cart’ next to the web installer option
6. Click View Full Cart or Go to your cart and click “Check Out”
 - a. Order confirmation “invoice” will be emailed to you
7. Click Download which will take you to Download Your Software and click Download to start download (NOTE* your product key will be located in your order summary page, keep this for use in step 11)
 - a. Select appropriate 32 vs 64 bit option
8. After complete, click ‘launch’
9. You will be prompted for your product key when launching Visio for the first time. Enter the product key you saved from step 7 and click enter. Visio will then be ready to use!
 - a. If you did not write down your product key and need to find it:
 - i. Log back in to link in step 1
 - ii. Click your username in the top right corner and select “Your Account/Orders”
 - iii. Find the order you just placed for Visio and click “View Details”
 - iv. Your product key will be listed here in red font color
