EXPERIENCE:
BQUIPPED, LLC - Philadelphia, PA   July 2016 – Present
SPORTS TECHNOLOGY INTERN
- Directly assisted the CEO of a data-centric sports equipment technology startup company in a variety of tasks focused on business development, data analytics, web design, and more.
- Uncovered valuable insights for strategic decision making by analyzing and reporting on data for senior management review, using information collected by Bquipped's expert survey technology.
- Aggregated and normalized athlete survey data in excel sheets for seamless import to Tableau, where custom dashboards were developed to identify trends and discover insights.
- Led efforts to expand the company value proposition through pioneering an Ice Hockey data initiative by advising colleagues in research, performing web data extraction, and creating surveys for data collection.

TEMPLE UNIVERSITY FOX SCHOOL OF BUSINESS – Philadelphia, PA   September 2016 - Present
- Held 10 office hours per week, assisting roughly 30 peers on a weekly walk-in basis.
- Explained course material to peers in an easy to understand manner, and related course concepts to real-world business scenarios for enhanced understanding and memorization.
- Provided final exam review sessions with an average attendance of 60 students to assist in teaching key concepts for the exam, and answering any questions students had.

BBH SOLUTIONS, INC. – New York, NY   June 2016 – August 2016
BUSINESS ANALYST INTERN
- Successfully completed two internal based projects while reporting to the Director of Client Services for a 75-100 employee IT Solutions Company.
- Streamlined business operations and optimized workflow by interviewing stakeholders, gathering requirements, and documenting future state views.
- Created, presented, and directed subject matter experts through individualized training materials, to ensure understanding of future state process flow in the post CRM implementation work environment.
