EDUCATION: TEMPLE UNIVERSITY, Fox School of Business, Philadelphia, PA
Bachelor of Business Administration, Graduation: May 2018
Major: Management Information Systems
GPA: 3.27

Selected Courses:

| | |
|--------------------------------------|--|
| Information Systems in Organizations | Enterprise IT Architecture |
| Data Analytics | Application Integration and Evaluation |
| Global Business Policies | Information Systems Integration |

ACTIVITIES & AWARDS:

- Dean's Scholarship, 2014 - 2018
- Member, Association for Management Information Systems, 2016 – 2018

INFORMATION SYSTEMS PROJECTS:

- Participated in the 2016 Temple Analytics Challenge to develop a research study strategy for rare disease clinical trials through data analysis and visualization using programs such as Power BI and Piktochart.
- Served as a project manager for a student engineering project that produced buoys that store energy through ocean waves.
- Developed a web-based application prototype for digital, cashless beach tag system using programming languages such as PHP, Javascript, and CSS.
- Developed a retail warehouse utilization prototype through JustInMind using data provided by QVC. The capstone project combined skills such as data analysis, project management, and market analysis.

EXPERIENCE: INOVIO PHARMACEUTICALS, Plymouth Meeting, PA May 2017 – August 2017

IT Intern

- Resolved helpdesk tickets through ServiceNow involving hardware issues, software requests, and setting up employee workstations.
- Developed webpages for company intranet site using WordPress.
- Checked all conference rooms weekly and ensured that all electronics including computers, video/audio conferencing equipment, and support phones were functioning properly and determined how to troubleshoot if not.
- Attended monthly department meetings and took notes regarding project updates.
- Attended periodic lunch-and-learn sessions to learn more about different departments and the pharmaceutical industry in general.

ESF CAMPS, Philadelphia, PA

May 2015 – August 2016

Counselor

- Supervised groups of 20-30 campers, ranging from ages 9-15, while providing a safe and fun learning environment.

- Assisted specialists in conducting group activities such as sports, art, swimming, and peer mentorship programs.
- Communicated with parents both in person and through weekly progress reports, detailing each individual camper's accomplishments and improvements.
- Maintained accurate daily records of attendance, water/sunscreen logs, and camper achievements.

SKILLS:

- Microsoft Excel, Word, and PowerPoint
- Web Development: HTML, CSS, PHP, WordPress
- Data: SQL, R, Tableau
