Project Name:	Root + Seed
Project Status:	Y

Project Description:	Our team is looking to create a system that can be used by students looking for mentors and teachers applying for grants. Our platform will allow underrepresented high school students interested in STEM to be connected to Corporate mentors. We will be working to create relationships between students and unviersity students and corporate employees who act as mentors in similar fields of interest.
Customer	High School's, Students, and Colleges
Project Core Team:	Meghan Ho, Andrew, Winkles, Kenneth Wunderle
Next Milestone:	Design elements and capabilities of the project
