ACTIVITIES:

- Member, Fox School of Business MIS Community, 2015 – Present
- Member, Association of Information Systems, Temple University 2017 – Present

BUSINESS PROJECTS:

- Analyzed business processes for individual projects. It required managing business operations and customer relations to provide end solutions for financial, manufacturing, logistic and distribution.
- Served as team lead for research and development, where we constructed an integrated marketing strategy that delivered superior value.

INFORMATION TECHNOLOGY SKILLS:

Software Development: PHP
Web Development: HTML, Google Analytics, WordPress
Database Management: MySQL
Project Management: SAP, ERP

EXPERIENCE: R&C FENCING, Reading, PA May 2013 – August 2015

Project Manager Intern

- Provided technical, customer, and manual labor services to customers to provide a superior value over our competitors.
- Assisted with the financial information and tracked property locations, employee payroll, maintenance requests, equipment and material.
- Conducted online research on home and garden trends, tools and equipment to find the most popular and efficient price and techniques. Compiled reports on the results and then presented results to senior management.
