

"The one easy way to become worth 50 percent more than you are now - at least - is to hone your communication skills - both written and verbal." --Warren Buffett

Guest Speaker "Tech-Life Step"

Stephanie Humphrey, Technology & Lifestyle Contributor at ABC News will explain why public speaking is no longer considered a "soft skill." Learn communication tactics that will help you stand out from the crowd. Also, hear from a panel of recent graduates working with companies on site.
