**Accomplishments for October 7, 2016**

- 1) *Made contact with two schools that could be interested in implementing IdeasX*
- 2) *Refined our scope, budget, and project schedule*
- 3) *Stayed consistent with our schedule*

**Goals for October 14, 2016**

- 1) *Get some feedback from the schools that could be interested in IdeasX*
- 2) *Begin drafting a business plan for funding purposes*
- 3) *Begin searching for teammates for BYOBB*

**Issues:**

- 1) *Main communication method with our entrepreneur has been through text, since that is easier for him, but he sometimes has to be followed up with by different people to get a response.*
- 2) *Hard to move the project forward until we hear back from the schools so that we know what they're looking for*
