Subject: Weekly Progress Report – *November 11*, 2016

Period: *11/04/16-11/11/16*
Hours: *15* H**ours to Date:** *91*

Accomplishments for *November 11***, 2016**

1) The team is on schedule for completing the deliverables by the deadline
2) Finished with developing the segment routing handlers and other programming tasks. Only documentation and testing tasks remain to complete the project.

Goals for *November 11,* **2016**

1) Complete metrics on power consumption
2) Complete testing on final development
3) Continue progress on documentation and deliverables
4) Work on the demo and make any necessary edits to ensure it works properly during the presentation

Issues:

1) Communication can be hard when not seeing the team everyday
