EXPERIENCE:

WINGSTOP RESTAURANTS, Philadelphia, PA May 2015 - Present

**General Manager**

- Manage a fast-food restaurant which served over 300 customers daily.
- Audit inventory, handle consumer complaints, deposit checks, schedule staff members, and the hiring process for new employees.
- Started as an entry-level cook and promoted to a General Manager after a year and a half.
- Added value to the organization by working with the owner in order streamline the training process by making the newly added employees receive training from other similar level employees which were already tenured. Thus, allowing for the General Manager to tend to more important matters.

SKILLS:

- Proficient in Excel, Word, PowerPoint, and Adobe Photoshop.
