WORK EXPERIENCE

Penndel Auto Repair

Langhorne, PA

Vehicle Sales & Service Coordinator

June 2024 – Present

- Led sourcing, evaluation, and management of \$200K+ in retail vehicle inventory, using market data and vehicle history reports to assess pricing, risk, and resale potential
- Oversaw vehicle inspections, reconditioning strategy, and repair prioritization to ensure full market readiness while minimizing turnaround time and costs
- Managed service writing, billing, and customer intake operations, maintaining organized client records and supporting daily workflow in a high-volume repair environment
- Coordinated vehicle acquisition logistics and inventory turnaround, improving operational efficiency and supporting consistent profitability through strategic pricing and cost-effective reconditioning decisions

Mechanical Apprentice

June 2020 – June 2024

- Performed diagnostics and repairs on domestic and import vehicles, focusing on brakes and suspension.
- Used specialized diagnostic tools to identify mechanical issues and ensure all work met safety standards.
- Managed shop inventory and tool organization to streamline workflows and reduce vehicle turnaround time.
- Assisted with service writing by documenting vehicle issues and helping prepare accurate repair estimates.

LEADERSHIP & ACTIVITIES

Pi Kappa Phi (Kappa Upsilon)

Philadelphia, PA

Member

April 2026 – Present

- Contribute to large-scale fundraising campaigns for The Ability Experience, helping the chapter secure its ranking as the largest philanthropic donor among 30+ campus organizations.
- Collaborate with 60+ members to manage chapter logistics, fundraising strategy, and cross-functional networking.

Temple Consulting Club

Philadelphia, PA

Consultant Training Program, Analyst

February 2026 – Present

- Worked with NAMI Philadelphia to analyze organizational challenges and develop strategic recommendations
- Collaborated with peers to deliver a final presentation and written report outlining strategic insights
- Participated in weekly workshops focused on problem structuring, client communication, and consulting methodologies

Association For Information Systems

Philadelphia, PA

General Member

August 2025 – Present

- Attend professional development sessions focused on MIS, data analytics, and modern business technology.
- Discuss emerging technologies and their impact on organizational strategy and digital transformation.
- Participate in networking events to build connections within the technology and business communities.
