

IT CAREER FAIR 2026

Hosted by Temple University
Association for Information Systems (AIS)

 **September 16, 2026 | 11:00 AM - 3:00 PM**

 **Howard Gittis Student Center**

WHY ATTEND?

Temple University's nationally ranked MIS program prepares students with hands-on experience in AI-enabled business solutions, web app development, data analytics, cloud architecture, UX/UI design, and cybersecurity. Connect with 250+ driven, job-ready students seeking internships and full-time roles. Build your brand, expand your pipeline, and engage directly with the next generation of business-minded tech talent.

TALENT YOU CAN ACCESS

- 250+ AIS members and student profiles
- Access to portfolios, resumes, and project accomplishments
- Students from MIS, dual majors, minors, MS TIACS, and MBA technical backgrounds
- Representation across class years, including honors students and student leaders
