## EXPERIENCE

**AIRCRAFT OWNERS, PILOTS ASSOCIATION** Frederick, MD

May 2019 – August 2019

*Aviation Finance Intern, Aviation Finance*

- Conducted financial analysis on loan opportunities utilizing Excel at an aircraft financing firm
- Compiled, quantified, and reported data on 150+ loans; used Salesforce to run reports, and reviewed data to analyze trends, reported findings to President of Aviation Finance and the Credit and Operations Manager
- Created a quoting matrix to help Account Executives in daily tasks, fixed lender matrixes that were outdated or broken, and built two new matrixes for new lenders using logic functions in Excel
- Created invoices, listing broker fees for lenders, and processed broker fee checks
- Updated Salesforce to incorporate 3+ years of backlogged loan funding details, totaling over 300 loans
