

The ISACA Foundation was founded in 2020 to enable our global community of digital trust professionals to support the next generation of IT audit, risk, security, assurance and cyber leaders.

## ISACA Scholarship Program

The ISACA Foundation, in partnership with industry leaders, builds academic and career pathways in audit and cyber. Since 2022, we've awarded \$1 million to 500 students through our global scholarship program.

In 2025, we're offering 150+ scholarships for undergraduate and graduate students in cyber, audit, governance, IS, IT, and CS across two cycles.

ITCA or CET  
Certification Course

Networking:  
Virtual Conferences  
and Mentorship

ISACA's training and mentorships have been pivotal for my transition into tech, providing the skills and confidence needed to succeed. There is a sense of fulfillment that comes when you give back to your community, hence, I plan on setting up a blog to assist and encourage minorities to pursue a career in security and Cloud."
