PROJECTS

NewShoes, Marketing Management

January 2022 – May 2022

- Project Leader on this simulation in the creation of Comfort Pros. Our shoe brand is compatible with the elderly optimizing numerous styles and colorways.
- Managed communications with my team via zoom and in-person to formulate our successful business plan.

EXPERIENCE

Steve Madden LLC, Clarksburg, Maryland

May 2021 – December 2022

Sales Associate

- Provided customer service daily for customers for a luxury shoe and accessories company.
- Performed an average of \$1500 in sales per day scheduled.
- Contributed to meeting daily store plans by selling shoes, accessories, and handbags.
- Maintained visually appealing and effective displays to increase the stores' overall sales per hour.

Kiddie Academy, Gaithersburg, Maryland

December 2018 – March 2022

Teacher

- Instructed an average of 12 students per day for a preschool in Montgomery County.
- Designed activities weekly to create classroom engagement with the children.
- Edited an average of 100 daily reports per day to release to parents and guardians.
- Coordinated projects with teachers for early childhood development.
