EXPERIENCE

TEMPLE UNIVERSITY, Philadelphia, PA

September 2022 – Present

Student Worker, Institute of Computational Science Department

- Validated and processed 10-15 monthly financial transactions for a university research center, covering expenses related to laboratory materials, news subscriptions, and research ventures.
- Organized departmental meetings by setting up conference rooms, including equipment, amenities, and data preparation, ensuring seamless and productive research discussions.
- Supported management efforts by efficiently managing and maintaining an inventory of essential technological equipment, including monitors, phones, and hard drives, to ensure a constant and sufficient supply.

WEGMANS FOOD MARKETS, Glen Mills, PA

May 2022 – December 2023

Cashier, Front End Department

- Managed customer concerns and inquiries at a high-volume grocery store serving over 1000 customers daily, ensuring the maintenance of excellent customer satisfaction levels.
- Verified over 100 customer transactions daily at the front desk using a point-of-sale system, contributing to a smooth and accurate checkout process.
