## OUR BIG IDEA

Developing/updating MSDIM's technology enabled web and mobile tools for admissions and engagement

## Jim Fu, Prospective Student

Age: 26
Hometown: Silver Spring, MD
Education: B.A. Marketing, Drexel University Occupation: Business Analyst Company: Comcast
Experience: 4 years
Hobbies: Dancing, watching movies, going to car shows
"I am looking for a program that fits my work schedule and will enable me to get a degree within the next year or two"

# Alex Patches, Program Admin 

Age: 43
Hometown: Philadelphia Education: B.S. Philosophy, Temple University Occupation: Sr. Director of MIS Location: Philadelphia, PA Marital Status: Married
Children: 2 children (Ages 8 \& 5)
Hobbies: Wine tasting, coaching pee-wee soccer
"There's no greater time to be in MIS, and there's no greater school than Fox. Give me a student who's willing to work hard and get out of the their comfort zone, and l'll get them the career of their dreams."

## Unmet Needs and Opportunities

Ability for prospect to make their own account

Lacking an
organized/optimized data collection process

Ability for admins to
easily track and look up interactions with interested students

No mobile tool for admins to engage with prospects at events and conferences
