PROJECTS

PA Turnpike Calculator, Academic   March 2023 – May 2023
- Established a secure AWS-hosted MySQL database for PA Turnpike toll price storage.
- Facilitated a user-friendly interface allowing easy input of start and end locations of PA Turnpike.
- Employed AWS Lambda functions as APIs alongside external APIs to fetch toll prices, weather data and gas station locations.

EXPERIENCE

RAK Operations LLC, Perkasie, PA   June 2022- August 2023
Project Management/IT Intern
- Delivered cost effective solutions to improve network infrastructure resulting in improved file handling efficiency, enhanced data storage capabilities, and a reliable networking environment.
- Provided responsive on-call support for technical issues and hardware management.

Walde's Home Improvement, Ambler, PA   May 2019 – May 2022
Assistant Project Manager
- Supervised team of three workers during renovation projects, both residential and commercial, across the tri-state area.
- Consulted with customers regarding project requirements, composing rough drafts and appraisals for supply costs.
- Logged receipts and invoices to keep track of expenses for 20+ extensive projects related to apartment remodeling.
