Summary

Most of my experience is in the pharmacy field. Although I am not studying to be a pharmacist, I have much experience knowing what goes on in a pharmacy. I have specialized in much of the technology portion of a pharmacy setting and helped in other areas where needed.

Experience

Skippack Pharmacy | Skippack, Pennsylvania

Billing Specialist | 05/2022 - Present

COVID-19 vaccines and tests administered or dispensed by the pharmacy are billed and processed by me.

Rite Aid Pharmacy | Lansdale, Pennsylvania

Pharmacy Associate | 11/2021 - 05/2022

I was responsible for filling pills, administering COVID-19 tests, being a cashier, stocking shelves, and working a computer.

Skills

Customer service, Pharmacy technician experience, Computer skills

Education

Temple University | Philadelphia, PA

Management Information Systems | 05/2025
