EXPERIENCE

Temple University, Philadelphia, PA

November 2024 – Present

Faculty Affairs Student Assistant

- Organize data for faculty processes such as appointments, tenure and promotion, awards, leaves, and retirements.
- Manage spreadsheets and databases related to faculty activities while ensuring the accuracy and confidentiality of information.
- Assist with projects, document preparation and printing for other staff members in the office.

Extern, Philadelphia, PA

July 2024 – September 2024

Consulting Extern

- Explored successful volunteer program engagement and recruitment strategies from non-profit organizations.
- Analyzed general volunteering trends and provided insights into the expectations of potential volunteers aged 18-25 in Europe and the US.
- Created recommendations for improving volunteer experience and key messages for attracting new volunteers.

Berkadia, Philadelphia, PA

February 2024 – April 2024

Student Consultant

- Collaborated with Talent Acquisition Partners about improvements that can be made to the company website and hiring process.
- Evaluated the internal and external hiring process with a Human Resource Manager and newly employed Analyst.
- Presented recommendations to the Talent Acquisition Partners to discuss if changes should be implemented.
