- Captained the soccer Academy team to 2 honors

STUDY ABROAD PROGRAM

American Degree Transfer Program, Sunway University, Malaysia.

May 2022 – May 2024

EXPERIENCE

Centre for Planetary Health, Sunway, Selangor

February 2024 – May 2024

Administrative Assistant

- This is a sustainability company with a goal of ensuring planetary Health and my responsibilities were;
- Presided over booking hotels, managing transport, meals and making sure all 1500 delegates were properly taken care off during the Planetary Health Conference in Malaysia.
- Officiated email blasting the schedules for the week the conference took place, supported in creating excel and word files for my supervisor with necessary information needed and collaborated with partner companies to ensure proper financing.
- This equipped the internship team the skills to work in a fast paced environment, properly interact with people from all backgrounds and also how to effectively work in a team.

PROJECT EXPERIENCE

Film Project, Public Speaking and Presentation Skills

November 2023

Team Member

- Our group was required to create a short film for our final paper for the class.
- While filming, one of the team members had an emergency and was unable to play his Character. With limited time to find a replacement, we double casted to ensure the project would be presented on time.
- We completed the project on time with among the highest grades in the classroom.
