PROJECTS

New Shoes Marketing Simulation August 2023 – December 2023

- Developed a new product for an existing athletic shoe and apparel company.
- Managed marketing of a brand of shoes and how factors interact and affect one another in a marketing organization. By analyzing information, making decisions, and observing the results, students experience first-hand the challenges and rewards of strategic marketing.

EXPERIENCE

WAWA, Lansdale, PA

June 2023 – Present

Barista

- Collaborated with employees to stock and refill products within register area, cold express cases, bakery, and grocery aisles.
- Conducted the task of preparing beverages according to recipe or customer specifications.

KOHL'S, Lansdale, PA

May 2022 – September 2022
