

STEVEN SUENDER

2450 Federal St Unit 2 | Philadelphia | PA | 19146

570.691.4223 | swsuender@gmail.com

EXPERIENCE:

GoSend Inc., Internship, Spring 2017

- Designed and created master UML for years of undocumented custom modules of PHP code, allowing development team to better plan future features and updates
- Documented entire commercial Drupal 7 site including entities, views, menu structure, and backend database structure

MIS3502 Class - Integrated Application Development - Marka Web App

- Created solution for Marka's vision of eliminating tangible beach tags for South Jersey beaches
- Enabled beachgoers to purchase and store digital beach tags and city administrators and local businesses to post events and advertise
- Designed and developed MVC application (HTML/PHP/JavaScript/SQL)

MIS4596 Class - Information Systems Integration

- Lead and managed final capstone project Rate My Apartment web platform to address student housing concerns, such as safety and quality of living, fueled by direct student experiences via reviews of specific areas and properties, increasing student safety and satisfaction at Temple University

EDUCATION: TEMPLE UNIVERSITY, Fox School of Business, Philadelphia, PA
